POINTE #1 VALLEY VIEW

HERITAGE #9 THE ISLAND

DESERT #1 GOING SOUTH

POINTE

Stunning vistas and dramatic elevation changes dominate the Pointe nine. Precision off of the tee is needed to avoid the meandering Pine Creek.

HERITAGE

A traditional parkland design, with many risk reward opportunities, including the famous island green par 5 9th hole.

DESERT

A Scottish links design with swaying fescues and wild grass, superb bunkering and room to let the driver out of the bag.

HOME BASE

The social fabric of our club is our expansive 15,000 square foot gathering space - the clubhouse. The golfer in you will appreciate the well equipped pro shop, private locker rooms and club storage facilities.

The Alberta Grill, however, is the glue that brings our community together. From our locally sourced menu creations, to our authentic indoor dining space and unrivaled patio, this is the place where we gather. Add the spacious Summit and Meadows rooms for those life moments and club events, and the clubhouse truly becomes your home away from home.

THE LOOP & DRIVING RANGE

Experts and beginners alike appreciate our world class practice facilities. Two practice greens and expansive grass driving range allow members to hone their skills.

Our 3 hole "LOOP", with a championship length par 3, 4 and 5, is the perfect spot to work on course management or spend quality time with the family.
